

Finding help with implementing the local recommendations from *Achieving age equality in health and social care*

Achieving age equality made recommendations at a national level, at a local level and for both. This table helps you find advice on implementing the recommendations that apply at a local level.

| | NHS Guide | Social Care Guide |
|---|--|--|
| Recommendation 4: implementing non-discriminatory, age equal mental health services | <u>Chapter 14:</u> Mental health services and <u>Chapter 20:</u> Children and Younger Adults | |
| Recommendation 5: health and social care work in partnership to deliver prevention programmes | <u>Chapter 8:</u> Prevention and promotion | |
| Recommendation 9: NHS to review use of Quality Adjusted Life Years and similar prioritisation techniques | “ <u>Annex to Achieving age equality</u> ” has a section on QALYs | |
| Recommendation 13: Local authorities review assessment procedures and resulting packages of care and funding arrangements in preparation for the legislation | | <u>Chapter 8</u> – Fair and equal access, <u>Chapter 9</u> – Equitable resource allocation and <u>Chapter 6</u> – Developing personalised solutions and services |
| Recommendation 16: local statutory organisations build age equality into training contracts | <u>Chapter 7</u> – Developing a workforce to deliver age-equal services | <u>Chapter 11</u> – Well-equipped workforce |
| Recommendation 17: leaders in health and social care demonstrate commitment to ending age discrimination and promoting equality | <u>Chapter 3:</u> Leadership and motivation | <u>Chapter 7:</u> Visible leadership |
| Recommendation 18: organisations to use new complaints procedure to resolve cases of potential discrimination | <u>Chapter 5:</u> High quality care for all | <u>Chapter 4</u> – Involving older people and recognising their contribution |
| Recommendation 19: health and social care to work | <u>Chapter 4:</u> Partnerships to end | <u>Chapter 7:</u> Visible leadership |
